The Leadership Series Challenging your Future Leaders!

February 9th, 10th and 11th 2010 at the Manitoba Club

Insights Transformational Leadership Series will be the first public offering of this progressive and comprehensive leadership assessment, education and self development planning.

Who should attend: Senior Leaders, Potential Senior Leaders, High Potential Managers and Supervisors, Board of Directors.

The sessions include:

- ❖ Insights Discovery foundational preference based self awareness including, communication styles, value to the team and overall strengths and opportunities.
- ❖ Introduction to the Insights Transformational Leadership system.
- ❖ Navigator 360 degree assessment. This includes a self evaluation, peer evaluation, direct report evaluation and senior reporting person in the following leadership dimensions;
 - Agile Thinking
 - Delivering Results
 - Leading Change
 - Creating a Compelling Vision
 - Communicating with Impact
 - Fostering Teamwork
 - Facilitating Development
 - Leading from Within

One of the primary objectives of this series is the development of a personal development strategy and action plan. Attendees will also receive 3 hours of leadership coaching after the workshops completion at their convenience.
